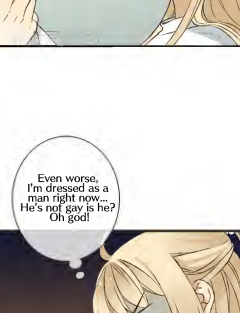
What? Why is Lianlian coming onto me? This isn't what I expected?!



Even worse, I'm dressed as a man right now... He's not gay is he? Oh god!

Young man, why aren't you saying anything?

Or... Is he pehaps attempting to probe about my background?

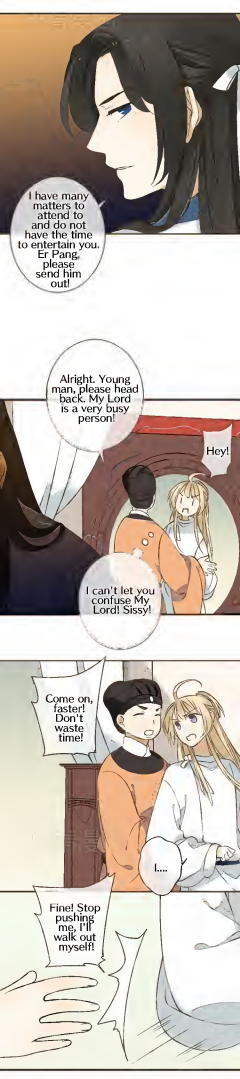
Lord Yuchi, let go of me first, then I will talk.
Lianlian, you've become so two-faced after all these years.
But what if I didn't want to? What would you do then?
I should slap you.
My Lord, my lowly self has done nothing to catch your interest. Wouldn't you be so kind as to enlighten me?

Caught my interest? Well how about you take a guess?
.....
.....
My god, what is My Lord doing?
Holding a man's hand so intimately, it seems like the rumors were true ...
My Lord really has taken a liking to that man!!
Whoosh——
Then allow my lowly self to speak bluntly. Might you be a homosexual, my lord?

Pff!
Releases–
Surely you jest, young man.
Also, I've already received your gift.
When did he take it?
Huh?

That's not okay! Please lord, return it to my lowly self!
That token gives me access to the Palace and permission to come and go as I please.
Why isn't it okay? It appears to be low quality jade...
I think you ought to have a more fitting jade with you.
Do you not, young man?

No, I don't...
So she doesn't have it...
Of course, I just assumed too much....
If you're done expressing your gratitude, you should head back now, young man.
Wait...



I have many matters to attend to and do not have the time to entertain you. Er Pang, please send him out!
Alright. Young man, please head back. My Lord is a very busy person!
Hey!
I can't let you confuse My Lord! Sissy!
Come on, faster! Don't waste time!
I....
Fine! Stop pushing me, I'll walk out myself!

Lord Yuchi, if you keep walking on this path, how will you ever go to heaven?
Hey, what did you just say?!
No manners at all!
(Shuts door)
Slam!

Ah~~~ despicable!
Die Lianlian! Stinky Lianlian!
Kicks——
He doesn't even pay attention when others are speaking!
I prepared for so long just to see him again and then what? Not even a single word of aknowelgement! I just got kicked out!
What a tragedy. I was so naive!
Slumps——

In the end, it just seems that I don't know Lian Lian at all...

Rises
No! I can't be so pessimistic! It wasn't easy to get here, so even if I can't bring him home, I'll give him a good thrashing! He'd better not let his guard down!

Young man,
The way home is not safe at night, let me escort you.
I can't believe that even with how small you are,
you still manage to attract so much trouble.
